8 on Breaks Last Week

Mike St. Pierre

8 On Break Leaders

Dennis Kolivras
Chae Kim
Chris Pupo
Jim Roberts
Mike St. Pierre

Break And Runs Last Week

Ken McPherson

Break and Run Leaders

Nick Varner
Scott Gibson
Ken McPherson

At the end of the session, the player with the most break and runs will get $5 per break and run. In the event of a tie, the players will split the money evenly (Ex. 2 players are tied with 8 each at the end of the session. Each player will receive $20).

Players from this division must play at least 5 matches to qualify for the PACS XIII Invitational. To qualify for MVP, players must play at least 7 matches. Team to win this Monday division will receive a projected $ 500 to be awarded at the PACS XIII Invitational. Teams may not recycle players the last 2 weeks of the session. New players may not be added the last 3 weeks of the session.

MVPs of this division will receive $50 each.

MVP Rules - 7 total matches required to win MVP (This division,this session)
MATCH WINS minus MATCH LOSSES decides winner; Tiebreakers: 1) match win %, 2) head to head, 3) game win %, 4) games won, 5) strength of schedule (higher average s/l of opponents)
There will be one (1) MVP from each of the following skill level categories…..2/3 S/L, 4/5 S/L, and 6/7/8 S/L
Qualification S/L is where you played a majority of your matches, *lower* if tied

PACS XII Invitational will be held at the Marysville Moose on July 18-19 (and 20th if necessary)

Top 3 teams on Monday will receive automatic byes into the weekend of the Invitational. The Monday teams seeded 4-7 will have "Play-in" Matches on the first Monday following the end of the session.

In the event of 2 or more teams in the same division having the identical win/loss percentage, **tiebreakers** will be as follows..

If two (2) teams…

1. Best win/loss match percentage in head to head.
2. Best margin of victory total record in head to head.
Example… 2 teams played each other twice and are 5-5 overall. The team with the best overall margin of victory in all 10 matches played would win the tiebreaker.
3. Team that won the LAST head to head meeting. Example…
Two teams played each other twice during the session. Tiebreakers 1 and 2 (above) have not produced a winner yet. The last tiebreaker would go to the team that won at least 3 individual matches in the LAST head to head meeting between the two teams.

If three (3) or more teams…

1. Best win/loss match percentages between only those teams. Example.. Team A, B, and C each played each other one time. Scores were as follows..
Team A wins 3-2 over Team B
Team A wins 3-2 over Team C
Team C wins 5-0 over Team B
Team C would win tiebreaker because of overall 7-3 record.
2. Best margin of victory total record in head to head among the teams that are tied
(see above in tiebreakers between 2 teams)

Once a “winner” is determined in a situation whereby three or more teams are tied, the process is repeated to determine the next highest seeded team (if necessary). If this is necessary, the results of any matches with the ” winner” are discarded in the next round of tiebreakers.
