

## PACS 14th INVITATIONAL PAYOUTS

In the interest of promoting fairness to all teams participating in the Invitational, we are going to pay an incentive for each individual match win in the 2nd and 3rd rounds of the Round Robin matches. This will be done to prevent a team from forfeiting the later matches if they feel that they have "dug themselves a hole" that they can't get out of. To prevent match forfeits, each team will be given an incentive of \$25 per individual match win in rounds 2 and 3 of the Round Robin. (Any forfeit wins in rounds 2 and 3 will NOT be eligible for the \$25 bonus and will simply be added to the 1st place prize money.)

Therefore, the payouts for the Invitational will be as follows.....

1st	\$ 2,300.00
2nd	\$ 1,200.00
3rd	\$ 500.00
4th	\$ 500.00
*Bonus	\$ 1,500.00
Total Invitational Winnings	\$ 6,000.00
1St Place Monday Division (Solids)	\$ 400.00
1St Place Monday Division (Stripes)	\$ 400.00
1st Place Tuesday Division	\$ 400.00
Random Drawing	\$ 400.00
Total Payouts	<u>\$ 7,600.00</u>

Prize amounts for 1st-4th Place are payouts for tournament finishing place and are not inclusive of any 2nd or 3rd Round Robin earnings performance. Each 1st-4th place team will earn more than the amount shown.

\* Bonus payouts will be split amongst the 12 teams depending on 2nd and 3rd round performances.
